Dear USRC Members,

In May the USRC Board of Directors approved the proposed USRC bylaws changes you will see noted in the document posted to our webpage at www.utahsrc.org. The document has been posted for your review for the last 60 days. It is now time for the USRC membership to vote on the proposed changes. Please go to <https://www.surveymonkey.com/r/GBTQPS5> to submit your vote. You will need your AARC member number.

The proposed changes are designed to be consistent with the changing needs of the society and its membership. A most sincere thanks to Mich Oki and Larry Stein, who are currently serving on the Bylaws Committee, for their careful review and valuable insight and recommendations regarding these changes.

Voting is now open and will remain open through **August 30, 2017**. Thank you for your time and attention to this matter. If you have questions or if additional information is needed, please contact the Bylaws Committee at utahsrc@gmail.com.

Sincerely,

Janelle Gardiner
USRC Bylaws Chairperson
